About

Microkleen is a ready-to-use disinfectant cleaner and deodorizer designed for rapid disinfection on hard and non-porous surfaces. Microkleen helps to quickly remove dirt, grime, mold, mildew and other common soils found in hospitals, nursing homes, clinics, medical offices, laboratories, veterinary clinics, food processing plants and pharmaceutical industries.

Microkleen has a Synergistic action

- Dual Chain Alcohol for Rapid Action : Kills the microorganism quickly.
- Quat gives a sustained and prolonged residual action to reduce microbial growth and also maintain efficacy for longer periods of time.

Salient Features

- ✓ Microkleen : Alcohol-Quat based, rapid disinfectant that clean & disinfect in one step.
- ✓ Effective : Ready-to-use disinfectant (30 seconds to 5 minutes of contact time)
