

UCAN PUBLIC PLACES™

General Purpose Cleaner-Disinfectant

Description

Public Places is a concentrated disinfectant and cleaner.

Product benefit

It is highly effective at low dilution. Makes it economical to use for large surfaces cleaning & disinfection.

Direction for use

Mop the surface With diluted solution. Wait for 10 minutes and wipe dry or air dry. For food contact surfaces like tables & counters, rinse with potable water.

- **To clean soap scum:** Allow diluted solutions to sit 15-20 seconds, Repeat if necessary.
- **To control and prevent the growth of mold & mildew:** Apply on pre-cleaned surface. Let the surface remain wet for 10 minutes before wiping. Repeat application on weekly intervals.
- Rinse all the surfaces that come in contact with food by water before re-use. Rinse bathtub/shower surface with water after using product.
